## **Local Christian Author Releases Second Book in Series to Inspire Readers in Personal Journey Toward Spiritual Growth and Renewal**

Louisville native Robin T. Jennings invites readers on a personal journey inspired by the life of St. Paul in his book *The Door to Renewal: Spiritual Growth Through the Mind of St. Paul*

**LOUISVILLE, KY (November 30, 2020)** — For many, this year has been a year of renewal in the traditional sense — one where businesses, communities and individuals have sought ways to reinvent themselves amidst challenging times. But Robin T. Jennings, Louisville native and author, challenges everyone to embrace a new form of renewal — one that encourages you to set aside the old you and begin anew altogether — and he provides Christians a valuable guidebook on their journey toward spiritual renewal in his newly released book, [\*The Door to Renewal: Spiritual Growth Through the Mind of St. Paul\*](#).

As Rector of St. Francis in the Fields in Louisville for 31 years, Jennings encouraged churches and parishioners to develop their spiritual growth and embark on a journey of renewal which became the catalyst for his series and the cornerstone for his latest book. A trip to St. Paul's Cathedral in London inspired Jennings to embark on a deeper quest for spiritual renewal; one that he invites readers to now join him in his new book.

"With the skill and experience of a seasoned Episcopal priest and pastor, the Rev. Robin Jennings offers an interpretation of St. Paul's love of souls as a model for the individual follower of Jesus as well as for communities of faith thirsty for spiritual renewal," said The Right Rev. Terry White, bishop of the Episcopal Diocese of Kentucky. "Robin opens the treasures of Paul's second missionary journey with the skill of a gifted teacher and the faith of a fellow pilgrim that I highly recommend."

Renewal is an inward movement of the spirit, yet it forms and shapes all aspects of life. For Christians seeking a personal journey of renewal, this book encourages readers to learn from St. Paul's witness and use it as a framework to help them:

- **Learn from his conversion.** Paul becomes a changed man after his encounter with the resurrected Jesus and we, too, have the opportunity to seek new life in Christ.
- **Learn from his conversation.** Conversion opens the door to a conversation, often times beginning with God planting an eternal question within.
- **Learn from his conviction.** Transformation of the mind leads to renewal and setting our minds on things that are above as we listen to the heartbeat of our journey.

*The Door to Renewal: Spiritual Growth Through the Mind of St. Paul* is available in paperback on [Amazon](#) and through his publisher, Emerge Publishing.

The Rev. **Robin T. Jennings** is the author of *May You Live in Christ: Spiritual Growth Through the Vision of St. Peter* and *The Door to Renewal: Spiritual Growth Through the Mind of St. Paul*. With a lifetime of experience as an ordained Episcopal minister and rector of St. Francis in the Fields, Harrods Creek, Kentucky, Jennings continues a deep longing and active desire in helping bring people to Christ with his writing, teaching and speaking. He and his wife Mary are the parents of four sons (one of whom is deceased) and they have been blessed with three lovely daughters-in-law and six wonderful grandchildren. They reside in Louisville, Kentucky. Learn more about Robin T. Jennings by visiting [www.RobinTJennings.com](http://www.RobinTJennings.com).
